## Summery of AD campaigns:

“Highest ROI came from retargeting campaign, suggesting a strong brand interest from previous viewers....”

**ROAS (Return on AD spend):** measures the revenue generated for every dollar spent on advertising.

# INSIGHTS & LEARNINGS

Short section broken into:

- What Worked
- What Didn’t
- What We’ll Test Next Month

Example:

What worked: Reels featuring food prep + voiceover

What didn’t: Static image carousels had low reach

## ACTION ITEMS & NEXT STEPS

Here's what we'll be focusing on in the upcoming month based on this month's performance and your evolving goals:

- Double down on high-performing reel formats, especially those using trending audio and POV hooks
- Test carousel posts with storytelling captions to boost saves and increase time spent on posts
- Allocate budget to promote best-performing posts for greater reach and retargeting opportunities
- Introduce UGC-style content to build trust and showcase real experiences

We'll walk through this action plan together during our upcoming strategy call.
